PRINCIPAL'S THOUGHTS

We wanted to say thank you for being so flexible with the changes that we have had to make due to Covid-19 this term. It is truly amazing how people band together in key times of change and the amazing flexibility of our students, teachers and parents.

A reminder that our **2021 Prep enrolments** are now open and we are excited by the prospect of welcoming our siblings as new Prep students, and new families into our school community next year. Please remember that all future students are required to complete an enrolment. This includes all of our current families with siblings going into Prep in 2021.

A special thank you to all the parents who have assisted us to follow our Victoria Health Department and DET requirements of **parents remaining outside school grounds** other than to drop off and pick up from their car or for urgent business at the office. Thank you for ringing the office during school hours if you arrive at the front gate and need assistance. We are very happy to collect children from their classrooms and escort them to the front gate whenever it is necessary. **It is also great to see parents physical distancing** out the front of the school at the end of the day. Well done Ranfurly parents!

Don't forget that the first day of school in term 3 (Monday 13 July 2020) is a **Pupil Free Day** that was approved by our School Council this week. This day will be used by staff to further develop and update our curriculum. **Term 3 classes commence for students at Ranfurly Primary at 8.45 am on Tuesday 14 July 2020.**

Due to remote and flexible learning this term we are changing slightly the timeline for receiving our half-year Student Reports. **Student Reports will now be sent home with students on Thursday 6 August 2020** (Term 3 Week 4). We will be having **Three-way Conferences in Week 3** next term where we will continue to work together to talk about your student's Learning and their Goals. Further information on both the Student Reports and Conferences will be coming out in week 1 next term.

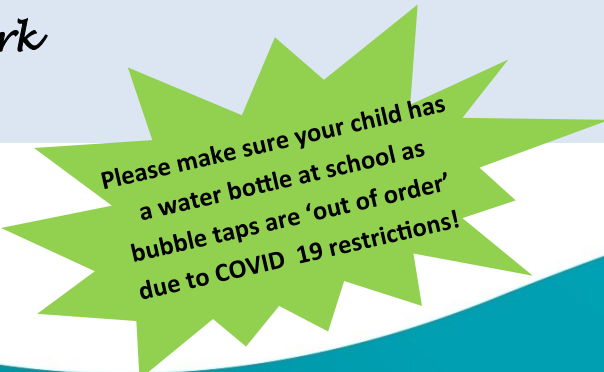

Yesterday we saw oodles of sporting colours throughout Ranfurly where students were encouraged to wear their favourite footy or sporting colours. Thanks to Tracy Lee in the Canteen for putting together a **Footy Day** menu of hot dogs, pies and spinach rolls.

Term 2 finishes next Friday 26 June 2020 dismissing at 1:00pm. There will be no final Assembly and students will need to be picked up at the gates at 1:00pm.

We continue to ask that children with a runny nose, sore throat, cough or any flu symptoms remain home.

Thank you for being so adaptable and flexible in this changing environment,

Dennis & Mark

Please make sure your child has a water bottle at school as bubble taps are 'out of order' due to COVID 19 restrictions!

CSEF

(Camps, Sports & Excursion Fund)

If you have a Health Care or Pension Card you may be eligible to apply for CSEF. Please ring office anytime between 8.00am and 4.00pm to complete an application.

NB If you have received CSEF in previous years, you DO NOT need to fill out a new application unless you have a new child commencing school this year.

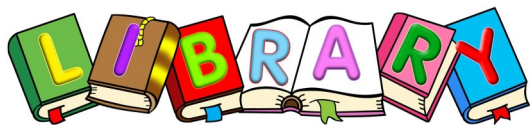

Although it is uncertain if School Camps will run in 2020, this funding will rollover to 2021 so it is still important to apply before the end of Term 2.

LIBRARY NEWS

Many library books borrowed over the Home Learning period are still outstanding. Please check at home to see if you can find and return any books borrowed.

Thank you!

Mrs K.

MEDICATIONS

If your child has medications (including asthma puffers) please ensure you leave them at the office with instructions to administer.

HAVE YOUR DETAILS CHANGED?

It is important that we have current phone, address and e-mail contacts for all parents or carers. If you have changed any of these details please ensure you contact the office so we can update this information.

ABSENCES

Parents are still required to notify student's school absence. It is very simple to enter these details on compass or you may complete the below form and return it with your child.

HEAD LICE

To assist in reducing the spread of head lice we ask that parents please check their child/ren's head for the presence of an eggs. No action is needed if eggs are **not** present.

If eggs are found in your child's hair appropriate treatment must be applied to remove these eggs. Your child may return to school as soon as the appropriate treatment has been undertaken.

The school relies on your co-operation and appreciates your assistance in this matter.
