**HAPPY MOTHER'S DAY TO ALL OUR
SPECIAL RANFURLY MUMS,
GRANDMOTHERS AND CARERS!**

'It's Not OK To Be Away' and 'It's Great If You're Not Late'

PRINCIPAL'S THOUGHTS

Today 20 students competed at the **District Cross Country** with Mr Cardew and Mrs Byrnes. As always, our students displayed excellent behaviour and effort while representing our school. We will publish the results in next week's newsletter.

Next week we welcome Chloe Larkin who is beginning as our School Chaplain. Chloe will be providing pastoral care services and strategies that support the emotional wellbeing of students within our school community.

This term we have 5 students who have been selected from Year 5 to participate in the **High Ability Outreach and Mentoring Program**. The program has been run by Mac.Robertson Girls' High School, a high performing school in Melbourne. Students have been selected based on high achievement in mathematics and passion for the sciences. We look forward to hearing from Rowan, Nina, Zac V, Thomas B and Maddison about their exciting program.

Our very clever students in Grade 3 and Grade 5 have been getting ready for **NAPLAN next week**. We have worked hard over time to ensure that every student is able to complete this as confidently as possible, but we remind you that this is only one assessment, and needs to be looked at with our other assessments for a whole picture of the progress your child is making. Trying hard, staying on task and not putting too much pressure on themselves is the goal for next week. Being on time to school next week will be vitally important for your child.

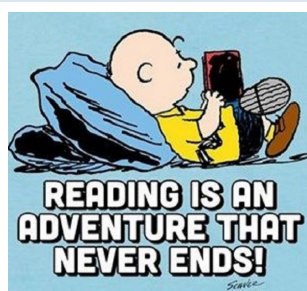

Look out for **Education Week** during Week 5, which has a theme of '150 Years of Public Education'. Ranfurly Primary will have several activities during the week, including our **Reading Night on Wednesday 25 May** and our **Open Classrooms Morning on Friday 27 May 2022**, with families having an opportunity to visit classrooms.

Enrolments for 2023 are now open for Preps and other year levels. Please contact the office for more enrolment information.

The Mother's Day Stall is held annually and is organised by our Parents' Club. This special annual event is being held this Friday 6 May and gives students the opportunity to browse, reflect on their mother's interests, and finally to make a decision about the ideal gift for their Mum. Please ensure you send along some money for your child to purchase that special something. Our Parents' Club continues to do a wonderful job supporting the school.

We wish all the Mums and significant females in families a very happy & special day this Sunday!
