'It's Not OK To Be Away' and 'It's Great If You're Not Late'

PRINCIPAL'S THOUGHTS

How wonderful to finally see some rain! Perhaps not for our students and staff who spent the whole school day indoors, but I'm sure it's a small price to pay for some well needed freshness across our community.

Cold mornings

The cooler mornings are not too far away so please remember that our Breakfast Club / Before School access is open in the Grade 5/6 building from 7:30am and that any students on site prior to 8am are required to attend this area. There is breakfast available or some fun activities for our students if need be. This is a free morning program fully supervised and supported by the school and Healthy Mildura. Our school buildings do not open until 8:30am so please make sure you are warm and safe.

Sporting School

At Ranfurly we love giving our student the opportunity to learn new sports and enjoy new challenges on the sporting field. As the new sporting season isn't too far away your child may be interested in trying a new sport. Our school has many contacts across the district and multiple ways of supporting children to access Club Sports. If you'd like to know more please call in to the office to get some info.

Safe out the front

It's great to see this week lots of our students and parents acting in a Road Safe way when picking up students from school. We have had a near miss in the past and this week it has been terrific to see the way children are being accessed from the front of the school. We have also had Victoria Police helping us supervising the drop off and pick up times so please remember to be safe and follow the road rules.

Don't forget to use the crossing safely and thankyou everyone for thinking about the safety of our students during pickup and drop off times!

Dennis & Mark

FREQUENTLY
ASKED QUESTIONS

Q. What does the school do about head lice?

A. Our school has a policy that if this issue is detected in any of our classes, information is sent home to ***all*** families from that room. So please check your student's hair. If you detect head lice, students can not come back to school until the hair has been treated. This is not singling anyone out, it is just notifying all parents to be vigilant. This is an issue for all families and if you need support with this please contact the office.

FREQUENTLY ASKED QUESTIONS

My child has lost their order form, so I don't have their shootkey. What should I do?
If you are planning to pay using cash, pick up a spare envelope from your school's administration. If you would like to order online, please call us on 03 5482 3190 and we can provide you with your child's unique shootkey.

My child never received an order form or shootkey.
This is likely because your child was a new student or late enrolment. Please call our office on 03 5482 3190 and we will issue you one immediately.

My partner and I have separated. Can we both order photos?
Of course. Simply use the same shootkey to order for your child. Any students with multiple orders processed will have their photographs delivered to the front office of the school to ensure orders are sent home to the correct parent.

How do I order a family photo?
Most schools will have been sent family order forms attached to the eldest child of each family. These forms are orange on the back. If you have not received an order form, please pick up a spare from your school's administration.

I didn't receive an order reference number, but the money has been taken out of my bank account.
Your order has been automatically received by our system. Simply send your child to school on photo day with their order form as normal.

I can't pay today. Will I still be able to get photos?
Of course. All students will have their portrait taken regardless of whether you are purchasing photos or not. Online ordering will remain open for 3 calendar days after photo day. If you are still unable to order in this time frame, please contact us and we will endeavor to help you out.
