PRINCIPAL'S THOUGHTS

Lots of fun on Bikes

This week sees the end to our Bike Ed program. Thank you everyone for getting ready and participating in our Bike Education program. Ms Shore and your children have taken to the activity brilliantly. It has been amazing to see so much excitement and smiles when the children are undertaking this program. The program aims to help students develop the skills of riding bikes or scooters, how to be safe and how to make sure the bike or scooter is safe to ride. Thanks Ms Shore and everyone involved.

FLIP (Flexible Learning Interest Programming)

This week has seen the conclusion of FLIP in Grades 5 and 6. It has been great to see the students putting their plans into action. There has been cooking, 3 on 3 Basketball competition, canvas artworks, clay modelling, news productions, growing plants and creating stage performances. The skills acquired over this year have positively influenced our school community.

Christmas Concert

This year our 'It's a Ranfurly Christmas' Concert will again be online. Students will be filmed during next Friday morning and families will be able to watch our concert from their own lounge rooms on Monday 13 December 2020 from 3:30pm. More information will be out early next week about how to access the Concert. Students attending everyday next week will be vital for them to feel confident practising their concert item with their class.

Next Thursday our Grade 6 students will take part in their **Graduation Ceremony** followed by **the Graduation Dinner**. This is a ticketed event to meet with Covid restrictions. Key information has been sent home with your child. Best wishes from everyone at the school are conveyed to our Grade 6 Graduates and we trust they will make this a night to remember.

Where does the money go?

All money that is raised goes to Mr Beast and
Mark Rober's Team Trees and Team Seas.

Background Knowledge about Charity

For every dollar we donate to Team Trees, 1
tree gets planted into the ground. Where as,
for every dollar donated to Team Seas, it
gets 1 pound of rubbish out of the ocean.

As both of these are sooo important, we
choose to split the money so that way we
can help the world in both ways.

What are you waiting for?
Mark your calendars and save
your money for this once in a
lifetime opportunity!
