**'It's Not OK To Be Away' and 'It's Great If You're Not Late'**

# PRINCIPAL'S THOUGHTS

Well, the end of term is here and it's been great to get our school up and running again with our students having the first full term since 2019.

I have lots of people to thank for making the term so successful, but the most important one I think is the students. They have been resilient (when we have had to change teachers), confident (when meeting new people in their class), Smart in the Head (when applying their learning) and Deadly (with our school events). I'm very proud of how you have returned to your school.

## Learning Talks

Last week were our Learning Talks and our teacher feedback has been terrific. They have reported that our students and parents took the time to have an open conversation about how your child is going **socially, emotionally** and **academically** at school. Our parents also took the opportunity help in the development of **Individual Education Plans (IEP)**.

Thanks for attending and embracing this time to talk about your child at school. Attached is a link for you to fill in our Parent Feedback survey. I'm asking you to please give us your thoughts on our Learning Talks.

## Sporting School

It's has been terrific to have the AFL development officer in the school is recent weeks helping our students develop their footy skills. Kicking, Hand ball and tackling have all been part of the learning in these skills and of course lots of fun. Thanks to David Kennedy for coming along to support us.

Last Friday our Cross Country was run and I would love to say well done to everyone involved. A very well organised event that really focused on participating (not just winning). Seeing lots of smiling happy kids running and walking their track has been a highlight this term for me. Of note I was so impressed when many of our children stopped to help a friend. Well done all!

Other sporting opportunities are out their for children to play a sport in a club (basketball, soccer, netball, footy etc) if you would like some info to get your child involved we have this ready for you at the office.

## Safety at pick up time

We are fortunate at Ranfurly to have a **supervised crossing at the front of our school**. Please make sure that students and parents use the crossing to stay safe. Students and parents are asked to use, and show good example by using the school crossings at all times when coming to and from school.

If parents have any concerns, please contact the office for support.

*Dennis, Mark and Mat*

### **TERM 2 BIKE ED FOR GRADE 5/6**

All Grade 5/6 students are asked to bring a bike and helmet to school next term on their PE day so they can participate in our Bike Ed Program. We will be starting Bike Ed on Tuesday 26<sup>th</sup> April for three weeks. We will have bikes for loan from Mildura Rural City Council for those students who do not have a bike and we will have a few helmets for loan as well. **Unfortunately, for this Bike Ed unit no scooters will be allowed.** Notification of PE days for Grade 5/6 for Term 2 will be posted on our Facebook page once they are available. Miss Shore

## Rugby Boys Tackle / Girls Rugby Tag

Yesterday our Boys Rugby Tackle team and Girls Rugby Tag team participated in the Billy Slater Challenge held at Aerodrome Ovals. Ran by NRL Victoria, students played against others schools across Sunraysia in a safe, fun and

welcoming environment. Present on the day were recently retired NRL players Trent Hodginson and Mitchell Allgodd who guided students about the finer details of Rugby League as well as participating in a workshop based around inclusion and diversity.

Our teams played with great spirit and tenacity but above all had lots of fun.
