WE'RE BACK FOR A BIG TERM

Ranfurly Primary students were welcomed back to four *seasons in a day* on Tuesday, including having to stay inside for the rain in the afternoon. Lots of laughs, learning and good times this week with students catching up with their mates and getting back into the school groove. Term 4 is a big term with great learning planned for all students, a couple of school sleep overs and the transition of our 2017 Preps. Don't forget Term 4 is a **No Hat – No Play** term so from Monday make sure you bring your hat, **be here on time** and bring your **smile** .

'It's Not OK To Be Away' and 'It's Great If You're Not Late'

Principal's Thoughts

Welcome back to everyone for the start of term 4. We are looking forward to a busy term of great learning activities across the school.

We especially welcome our five new students & their families to our school Community. The weather has certainly been delightful for the start this week and students have also settled back to work very quickly. I know everyone will work hard this term!

A warm welcome to Tanya Creamer who is our most recent person to join our Ranfurly Staff team. Tanya is working on Thursdays & Fridays in Room 6 sharing the class with Mrs Stephens. Welcome Tanya!

We have advertised that during term 4 we will hold a number of transition visits for our 2017 Prep students with the first one being compulsory for students and their parents on Wednesday 19 October between 9:30 – 11:00 am. We are currently still accepting Prep enrolments for 2017 and enrolment packs are available for collection from the office.

Lots of exciting activities will be happening at Ranfurly this term, so it is very important that all students attend on time every day.

Grade 2 have already been invited to sleep at school next week, Grade 3 students an overnight Camp in Week 3, Prep Tea in Week 5 and many other educational and exciting activities happening during term 4. Remember to show **RESPECT, PRIDE, SAFETY** at all times.

Term 4 is especially important for our grade 6 students as they only have a short time left to ensure that they are prepared for the transition to Secondary School. We know they will work hard this term!

We wish nine Ranfurly students to do their personal bests next Monday as they compete in the Regional Primary Athletics Championships in Bendigo. They will be accompanied by Mrs Bradford and will travel down Sunday with the Mildura Primary team.

Please remember our Breakfast Club is there for all students and that any students at school before 8:00am will be asked to go to the Walton Wing. This helps us supervise our students in the morning as well as provided something yum to eat for them.

It's Not Ok to Be Away - Being at school is vitally important. Being here every day is the only way our teachers are able to get the sequence of learning that every child needs to be successful. It is important to remember a few things about school attendance:

- * attending school at a primary age is legally compulsory
- * coming on time means students don't miss vital lesson information
- * having your children with a good night's sleep is important for getting to school and concentrating all day.
- * contacting the school when your child is going to be away is a must and sending a note to the teacher is the best way to do that, or telephoning the Office is okay too.

Please make sure we see your children's smiley faces everyday so we can continue to make them "Strong and Smart".

Dennis and Mark
