Ranfurly Year 5 Students Lead the Way

Mac Robertson Extension Camp

On Monday 6th June, five grade 5 students travelled to Melbourne to participate in the Mac Rob Outreach Mentor Camp with students from a range of other schools across Victoria. The camp was an extension to the weekly activities that these 5 students have been participating in through the Mac Robertson Girls High School in Melbourne. Working with mentor students from Mac Robertson Girls High School and Melbourne High School, our students participated in a range of activities linked to science and maths at the Melbourne Museum, the Ian Potter Centre and at the Mac Rob Campus.

PRINCIPAL'S THOUGHTS

Kinder Tours @ Ranfurly - This week we've had lots of little visitors to our school from several different Kinder groups. They attended our school on the bus, had some lessons, games and then returned to their own Kinder. Lots of parents from the Kindergartens have been touring the school as well. Well done to Ange Mitchell, Josie Leng, Louise Crouch and Mary Gill for helping our special visitors.

We are currently enrolling Preps for the 2023 school year. Interest in our school is overwhelmingly strong again this year with parents thoroughly researching many aspects of our school's performance and culture. Tomorrow Ranfurly puts its best foot forward to showcase the wonderful programs and facilities available to our 2023 Preps with an **Open Morning & School Tours between 9:00 - 11:00am**.

Attitude to School Survey is currently being conducted in Grades 4 – 6. We value student voice as a means to improving student engagement, wellbeing and quality instruction and to find out what your child thinks of our school. **The Attitudes to School Survey** is an annual student survey offered by the Department of Education and Training to assist schools in gaining an understanding of students' perceptions and experience of school. Our school will use the survey results to plan programs and activities to improve your child's schooling experience.

A reminder to all families that this **MONDAY 20th JUNE** is a **Curriculum Day** and therefore, **students are not required at school**. Teachers will be forward planning for Term 3.
