## GYMNASTICS FUN

**'It's Not OK To Be Away' and 'It's Great If You're Not Late'**

# PRINCIPAL'S THOUGHTS

Well, we are getting very close to the end of the school year and what a wonderful year it has been with lots of fun and great learning.

## **Prep Buddies**

Congratulations to our current year 4 students who have now officially met their new buddies. At Ranfurly our Grade 5 students become the 'Buddy' for a new Prep Child. This gives the new prep student an older student to help them settle in and learn about their school. They then keep this relationship together for the next 2 years and we organise a number of fun activities that these children can do together. Our 2020 Prep families will get to meet these wonderful leaders on Wednesday at the Family BBQ. Our children take this leadership opportunity very seriously and they are looking forward to the year ahead.

## **Road Safety**

It has been great to see our families taking the extra steps to model crossing the road safely by using the School Crossing. Thank you for supporting me in promoting Road Safety to our children.

## **Grade 6 Transition**

Over the coming weeks our Grade 6 students will have opportunities to meet with some of the teaching team from their new school. It is great to see and hear about their secondary schools and all of the wonderful learning they will have access to next year.

## **It's a Ranfurly Christmas - Concert**

Monday the 16<sup>th</sup> December is our end of year concert "It's a Ranfurly Christmas". This is our annual celebration of the year and official farewell to our awesome Grade 6 students who are about to head off to their Secondary Schools. I have been sneaking a peak at the grades getting ready for the performance and it looks to be a wonderful, creative line up this year. Make sure you bring yourself along for the evening.

## GRADE 6 POLO-SHIRTS

Dear Parents/Carers,

To recognise the responsibility that all our Grade Six students will have as leaders in our community in 2020, they have the privilege of wearing a special Grade Six shirt. All students will wear a new blue polo shirt with their special grade six design on the back. This design will be created and chosen by the students.

Students will be asked to purchase this blue top and the school will be organising orders from Wear Corporate. The cost per shirt, which includes all printed artwork and names, will be \$35.00. We will be arranging samples of the shirts so that students can try them on and select the most appropriate size before ordering (*the shirts are the same sizing as the current teal school polo-shirts*).

### What to do

Complete the order form and return it by **Friday 29 November 2019**. Payment can be made when ordering your shirt through the office.

Any questions, please do not hesitate to contact me.

Regards,

*Beck White*
