RANFURLLY NAIDOC DAY

PRINCIPAL REPORT

We are in the second year of teaching The Resilience Project throughout the school from Prep to Grade 6. The very successful lessons taught in The Resilience Project concentrates on G.E.M (Gratitude, Empathy & Mindfulness). Research supports the value of gratitude in our daily lives. Cultivating a gratitude practice has been linked to improved mood, increased optimism, and enhanced overall well-being. By acknowledging and expressing gratitude, we strengthen our resilience and build a positive mindset that can help us.

Yesterday we had an awesome afternoon celebrating NAIDOC Day. Thank you to all the families who were able to attend and others from our community who helped with activities - we had a fabulous day! At Ranfurly we love seeing our students leading and teaching their peers. Our Getting On Country Boys and Girls both did an outstanding job teaching their peers about Aboriginal culture through amazing songs and dances. We also explored the 2024 NAIDOC Week theme, "Keep the Fire Burning" in our classrooms. The students did activities that helped them understand why NAIDOC Week is important and how Aboriginal and Torres Strait Islander communities contribute to our country.

Contacting the school when your child is going to be away is a must. Sending a note to the teacher is the best way to that or telephoning the Office is okay too.

Do you have a child ready to start school in 2025 and have yet to enrol them? Please see the school office immediately as the enrolment process is well under way and with offers for positions at Ranfurly PS being made soon, you do not want to miss out. Please don't delay!

Please make sure children are at school, on time every morning so we can continue to help them be 'Strong and Smart'.
