'It's Not OK To Be Away' and 'It's Great If You're Not Late'

PRINCIPAL'S THOUGHTS

It is terrific to be back at School for Term 3. It is great to see everyone back, well rested, and enthusiastic to work hard. Lots to look forward to this term including: NAIDOC Day Activities, Grade 5 Ballarat Trip, Grade 6 Melbourne Trip, Learning Talks, Athletics Sports, Hearing Clinic, Grade 4 Roses Gap, P-2 Swimming, and much more.

With the cold weather upon us, please check that your children have their jumpers labelled. New jumpers/ windcheaters are available to purchase from the office. Please ensure that your children wear the correct school uniform, as we have noticed some students, mostly our senior students, in what can only be described as casual clothing. We would ask parents to ensure that students are dressed in the proper school uniform. Please see us if you need support in obtaining or getting your child to wear their uniform.

A reminder that we are currently enrolling Preps for the 2023 school year. Interest in our school is overwhelmingly strong this year with parents thoroughly researching many aspects of the school's performance and culture. Our Prep transition timeline is set and there will be several sessions for students and families to attend over the next two terms.

As we're sure you have seen, there has been a number of celebrations in the community for NAIDOC. The 2022 theme is 'Get Up! Stand Up! Show Up!'. On Thursday 21 July 2022 from 9:00am-11:00am is a way for our Ranfurly community to celebrate the richness of our culture and share parts of the oldest civilisation on our planet with the wider community. Please look out for your invitation to the event and we look forward to seeing you then.

Contacting the school when your child is going to be away is a must. Sending a note to the teacher is the best way to do that or telephoning the Office is okay too.

We will be having a Pupil-Free Curriculum Day on Friday 29 July 2022. Staff will be doing professional development and updating our Writing curriculum.

Please make sure children are at school, on time every morning so we can continue to help them to be "Strong and Smart".

She spent her days playing chasey with Fergus and enjoyed the extra attention from the boys.

She loves her baths but unfortunately she loves the water & mud even more!

Thank you Mr Hards, the students have had a fun week making bunkers and race tracks in our fresh sandpits

SCHOOL CHAPLAIN

We are very fortunate this week to have a new Chaplain at Ranfurly Primary School. We welcome Keith Foley to our staff. Keith will be working three days a week with our students that have permission to see him. Keith will mostly see students on an individual basis (one on one discussions with a student) and/or in group settings (discussions with groups of students). Keith will work as a member of our School's Wellbeing Team and provide Chaplaincy Services including providing for the educational, social and emotional wellbeing and health of students.
