*Strong in the heart and Smart in the head*

Principal: Dennis Mitchell  
Assistant Principals: Mark Rogerson & Mat McLeod

Thursday 20 October 2022  
Volume 29 Issue # 32

**RESPECT PRIDE SAFETY**

## GRADE 5/6 STUDENTS HAVE FUN SURVIVING THE RAINY WEATHER!

**'It's Not OK To Be Away' and 'It's Great If You're Not Late'**

## PRINCIPAL'S THOUGHTS

At the time of writing my report, my thoughts go out to all families who have been greatly affected by the ongoing flood crisis across Victoria and New South Wales, with a number of schools being required to return to remote learning.

In conjunction with the Department's School Operations Guide and Safety Management Plan, please see the following updates and changes to COVID-19 regulations for our school;

It is strongly recommended that **students**:

- who test positive to COVID-19 stay home and isolate for 5 days
- should not attend school after 5 days if still symptomatic
- who are symptomatic but have not tested positive should not attend school
- advise the school of the COVID-19 positive test result

Where **students** become symptomatic at school they should:

- be collected by their parents/carers
- undergo testing for COVID-19

Ranfurly teachers are making a difference to the lives of young people every day. World Teachers' Day 2022 is celebrated across Australia next week on Friday 28 October. It's a chance to recognise and thank over 21,000 teachers who work in our public schools. Despite the challenges of the last 2 years, teachers bring their best to work and continue to put their students first. Teachers play an important role in our community and **we appreciate and thank our Ranfurly teachers for their passion and dedication to inspire children and young people.**

Just a reminder that our school will be closed on Tuesday 1 November for the Melbourne Cup Public Holiday.

*Dennis, Mark & Mat*

## HEADLICE

Recently there have been numerous cases of Head Lice reported in the school. To assist in reducing the spread of head lice we ask that you please check your child/ren's head(s) for the presence of any eggs as soon as possible. No action is needed if eggs are not present in your child's hair.

In accordance with the current Head lice Policy, if eggs are found in your child's hair appropriate treatment must be applied to remove these eggs. Your child may return to school as soon as the appropriate treatment has been undertaken.

The school relies on your co-operation in this matter and appreciates your assistance.
