Volume 31 Issue #18

RESPECT PRIDE SAFETY

Here are some more photos from the amazing superstars that competed this week!

PRINCIPAL REPORT

What another busy week it has been here at Ranfurly. We have well and truly settled into the routines of Term 2. It always brings a smile to our faces when we walk around the school, in the yard and in classrooms, and see the engaging learning experiences that are happening. What a privilege we have! For those of you who managed to make it to the Mildura Arts Centre this week for some Eisteddfod sessions, then you would have witnessed some remarkable and very impressive performances from our Ranfurly students. Well done to everyone involved!

We know that there are times when families need to speak to teachers so that questions can be clarified, and concerns resolved. Before school is a very busy time when teachers are connecting with students and ensuring that everything is in place to begin the day calmly and successfully. In order for teachers to give parents the necessary time, we ask that families make appointments with their classroom teacher.

This week we've had lots of little visitors to our school from several different Kinder groups. They attended our school on a bus, had some lessons, games, and then returned to their own Kinder. Lots of parents from the Kindergartens have been touring the school as well. Well done to Ange Mitchell, Josie Leng, Louise Crouch, and Mary Gill for helping our special visitors.

In brighter sporting news, we are thrilled to share that our Grade 5/6 students are participating this week in Division finals against other Sunraysia Schools. Today we participated with our Boys soccer team and this Friday we have Boys and Girls hockey teams & our Girls AFL team competing. We wish all teams to play well and look forward to our teams displaying outstanding sportsmanship and manners throughout the day. Next week our Grades 5 & 6 will be involved in a Swimming program at the Mildura Waves Pool. This is a hugely important program that gives students the opportunity to learn to swim and to develop lifelong skills in water safety. For those Year 5/6 students who have indicated they will be part of the 5-day swimming program, they need to remember to bring their bathers and towel each day.

We are fast approaching the end of term, but it is important that students attend school every day for the remaining 10 days. Naturally if your child is sick the best place is home. A reminder that Term 2 finishes on Friday 28 June 2024 with an updated dismissal time of 2:00pm. Students will commence Term 3 on Tuesday 16 July 2024. (Monday 15 July 2024 is a pupil-free day!)

Dennis, Chelsea and Mark

Ranfurlly Division Soccer played yesterday at the Aero Oval Ground what an amazing day it was. The effort put in by our Ranfurlly Boys was great to see especially with them winning 1 out of 3 games overall they showed great sportsmen ship what an amazing effort boys!

TheirCare
Where Kids love to be!
Amazing Before + After School Care Programs

At the start of the term we introduced the children to TheirCare's - WE CARE project - supporting a charity of choice, by earning stickers to fill in our thermometer chart to reach our target. Children are able to earn stickers through acts of kindness, showing respect & showing resilience - just to name a few, in order to fill our chart. Once filled TheirCare will donate monies on our behalf to the nominated charity in which we along with other TheirCare services in the Mildura Region have selected The Starlight Foundation for this term.

Through discussions, we were able to recognise & acknowledge the amazing work the charity does for children & their families & equally as excited about filling in our WE CARE chart.

We have observed some really beautiful, kind and respectful traits & awarded the stickers - the children are really working hard to fill the chart.

Winter Holiday Program - The Theme is Time Warp and bookings are available now, spots are filling up fast so don't miss out.

Reminders - As the weather is cooling down, please remember jumpers and beanies. All items need to be clearly labelled with your child's name on them.

Please remember to notify us, if your child is going to be absent by contacting via email or via the service contact number.

From the TheirCare team,

Alisha, Lavinia and Kayla

all outstanding
fees for Term 1
& 2 must be
paid. Thank you!**

HEADLICE NOTICE

Recently Head Lice has been detected. To assist in reducing the spread of head lice we ask that you please check your child's head for the presence of any eggs/head lice as soon as possible. No action is necessary if eggs/head lice are not present in your child's hair.

In accordance with the current Head lice Policy, if eggs/head lice are present in your child's hair, a Head Lice treatment is the most effective way to remove them. Your child may return to school as soon as the appropriate treatment has been undertaken.

The school relies on your co-operation in this matter and appreciates your assistance.

Thank you,
Dennis Mitchell
