FREQUENTLY ASKED QUESTIONS

I have not received an email from MSP about ordering photos. What should I do?

This is likely because your child was a late enrolment, a new student, or your contact details at the school are incorrect. If you have an existing Compass account, you can login and order through this platform. Alternatively, if you call our office on 03 5482 3190, we can place your order over the phone.

My child is not appearing on the "order photos" Compass Portal.

Please call our office on 03 5482 3190, and we can place your order over the phone.

Can I also order if my partner and I have separated?

Of course. Simply use your Compass profile to order photos for your child. Any students with multiple orders processed will have their photographs sent to the front office of the school to ensure orders are delivered to the correct parent.

How do I order a family photo?

If you have more than one child attending school, a family order option should be available on your Compass portal. If you don't see this option and would like to order a family photo, please call us to place your order over the phone.

I didn't receive an order reference number, but the money has been taken out of my bank account.

Your order will automatically be received by our system. Simply send your child on photo day with their information sheet as normal.

I can't pay today. Will I still be able to get photos?

Of course. All students will have their portrait taken regardless of whether you are purchasing photos or not. Online ordering will remain open on Compass, but a late fee will apply when ordering over one week after photo day. If you are still unable to order in this time frame, please contact us and we will endeavour to help you out.

THE RESILIENCE PROJECT™

Welcome to The Resilience Project

PARENTS & CARERS

ABOUT THE PROGRAM

The Resilience Project is committed to teaching positive mental health strategies to prevent mental ill-health and build young people's capacity to deal with adversity.

We will be implementing their evidence-based **Teaching and Learning Program** throughout our classrooms, staffroom and school community.

Teachers and students will engage in weekly lessons and activities around the key principles of **Gratitude, Empathy, Mindfulness (GEM) and Emotional Literacy** to build resilience.

WHAT CAN BE DONE AT HOME?

To learn more about The Resilience Project and get involved from home, you can start exploring the ideas, activities and resources which bring **Gratitude, Empathy and Mindfulness (GEM)** to life on **TRP@HOME**.

We are super excited to welcome Dolly's Dream to Ranfurly Primary this term to run a couple of workshops with our Grade 5/6 students on digital safety & making positive choices.

Digital dramas! Digital dilemmas! – it doesn't matter how we refer to it – our students are faced with digital problems every day, and the consequences of not seeking help can be detrimental to the mental health of our children and young people.

Designed by leading experts and delivered by trained facilitators, Dolly's dream workshops are built to be interactive and engaging, without fear of judgement and promote help seeking behaviours.

We will also be hosting a **parents session** on **Wednesday 6 March, 6pm**. This session is open to all parents & carers across our school community to attend.

Please come along & enjoy light refreshments whilst hearing and learning from some of the best in the industry. Please register your interest with the front office.

Parenting in the digital age For parents & carers of children and young people
Parents/carers will develop an understanding of the negative consequences of bullying. Know where and how to report inappropriate content, and how best to support young people who are experiencing harm. Parents/carers will be equipped with the latest research regarding online behaviours.
