

It was fantastic fun yesterday going to Orange World. We found out that it takes 4 people around 6 months to harvest 10 000 orange trees. Mario took us for a tour on the tractor train and told us all about the different orange trees, we also saw lemon, lime, grapefruit and avocado trees. We learnt that the farmer is paid around 10c an orange or 50c a kilo. The orange juice was the freshest and most delicious orange juice we have ever tasted!!
