

THE RAMBLER

Strong in the heart and Smart in the head

Principal: Dennis Mitchell
Assistant Principals: Mark Rogerson & Mat McLeod

Thursday 27 October 2022
Volume 29 Issue # 33

RESPECT PRIDE SAFETY

SMART AND STRONG

Ranfurly Primary School is fortunate to have an amazing weekly Art Program taught by Mr Ben Barker. This week, 2W completed some artwork they are incredibly proud of. The focus was blending colours using paints to create their amazing lions.

'It's Not OK To Be Away' and 'It's Great If You're Not Late'

PRINCIPAL'S THOUGHTS

It has been great to see our students and families making use of the new seating and picnic tables that have been installed around the front of our school. We have beautiful grounds for our school community to enjoy. Mr Hards has certainly had to do some extra miles on the mower with all the recent rain. We also have new shade sails in place outside of the library area which has given our students another play space to use to avoid the sun.

Tonight our Prep students will be enjoying their Prep Activity night. Thank you to all of the staff who have helped organise this experience for our students, the excitement is high in their building today! Over the coming weeks there will be similar events for our Grade One and Grade Two students as part of our Camp Programs at Ranfurly.

Again, I find myself having to talk about people putting themselves and others at risk at pick up and drop off time. Modelling to our students appropriate road rules is extremely important to keep everybody safe. Our Crossing Warden was extremely upset last week with many members of our community seen walking their children straight across the road between passing cars.

The following are a must and can I please ask all parents to make sure they understand what we need you to do:

- **Please remember to make sure to use the crossing!** It is there to get across the road safely and to ensure cars stop for school children.
- **It is illegal to do a hook turn over the double white lines at the front of the school.** This puts others in danger.

I am asking any of our students and parents that see people acting unsafe, please remind them of the correct way and refer it to us.

Dennis, Mat & Chelsea

'It's Not OK To Be Away' and 'It's Great If You're Not Late'

GRADE 3/4 SHOW THEIR INVENTIVE SIDE!

Over the past few weeks the Grade 3/4 Students have planned, designed and constructed their very own awesome invention. The students had an amazing time creating and then demonstrating their inventions to their classmates.
