THE *ENVIRO EDU* TEAM CAME WITH SOME SCALEY FRIENDS TO VISIT OUR 5/6 STUDENTS THIS MORNING, AS PART OF THEIR ENVIROMNENTAL AND STAINABLITLITES UNIT!! WE MIGHT HAVE SOME WILDLIFE RANGERS ON OUR HANDS

## PRINCIPAL'S THOUGHTS

We thank our school community for your continued support in keeping our school safe and healthy as possible. We've had a significant number of students absent with illness, over the last few weeks, and a few Covid-19 cases reported. We thank parents/carers for keeping students at home when presenting with cold/flu/Covid like symptoms.

The Ranfurly Family celebrates that our school sits on the land of the First People of the Millewa-Mallee. Our connection to community in our school is strong and we wish to acknowledge the Latji Latji and Ngintait as the Traditional Owners and Custodians of the Country on which we are on. We also wish to acknowledge the deep history of our neighbours the Barkindji-Wiimpitja have in our district and our community.

This week is National Reconciliation Week. The theme, "Be A Voice For Generations" – encourages all Australians to be a voice for reconciliation in tangible ways in our everyday lives – where we live, work and socialise. It is a time for all of us to continue to learn about our shared histories, cultures, and achievements, and to explore how each of us can contribute to achieving reconciliation in Australia.

The Mildura Eisteddfod commenced last week. We also have Eisteddfod entries in today and the next two weeks. Best wishes to all our students who put their foot on the stage with their amazing talents.

It is great when parents send their children to school every day! If children are absent, then parents can ring the school on 5022 1299 and/or send a note to school giving a reason. That's the Ranfurly way!

### **Please remember:**

- \* **to make sure to use the crossing!** It is there to get across the road safely and to ensure cars stop for our school children.
- \* **It is illegal to do a hook turn over the double white lines at the front of the school.** This puts others in danger.
- \* **The bus pick up zone is for buses only.** There are many carparks along the front of the school that can be used.
- \* **Please do not use the gates and walk through the Staff Carpark.** Cars are coming and going all the time and that makes it not safe to having pedestrians in this area.

Attitude to School Survey is currently being conducted in Grades 4 – 6. We value student voice as a means to improving student engagement, wellbeing, and quality instruction and to find out what your child thinks of our school. The Attitudes to School Survey is an annual student survey offered by the Department of Education and Training to assist schools in gaining an understanding of students' perceptions and experience of school. Our school will use the survey results to plan programs and activities to improve your child's schooling experience
