PRINCIPAL'S THOUGHTS

Good night sleep tight, come and read a book tonight, was a huge success last night and attended by many parents, teachers and our students. Reading every day is vital to growing your brain and helping our young people learn this and enjoy wonderful stories is what last night was all about. The event was co-ordinated by Mrs Gill and supported by all our teachers who gave up their personal time to make our night happen. Thanks to all those teachers, parents/ families and students for their efforts to make it a fantastic community event. Well done everyone!

We value student voice as a means to improving student engagement, wellbeing and quality instruction and are conducting a survey to find out what your child thinks of our school. Over the next two weeks, our Grade 4-6 students are invited to complete the **Attitude to Schools Survey (AtoSS)**. AtoSS is an annual student survey offered by the Department of Education and Training to assist our school to gain an understanding of students' perceptions and experience of school. Students will be asked about their thoughts and feelings in relation to our school, their learning, peer and family relationships, resilience, bullying, mental health and wellbeing, physical activity, and life in general. At Ranfurly we value this survey to give our students a voice.

Information regarding a **Vaccination Clinic** being held at after school next Wednesday has been sent via COMPASS. If you need help logging in to your account, please contact the school for support.

Winnie has been busy this week out in the neighbourhood walking students to school. If you see Winnie on your travels, you are more than welcome to join. You never know where or when you might see her! Thank you to Mrs Stewart and Mrs Byrnes for showing Winnie our neighbourhood.
